

**Town of Lomira, Dodge County Wisconsin  
Resolution #21-06**

**Support for State Board of Assessors Determination of Quad Graphics, Inc.  
Real Property Assessment**

**Whereas**, the Town of Lomira Board is concerned by the recent appeal by Quad Graphics, Inc. of its assessed value. This board believes that the current assessed value as determined by WI Department of Revenue is reasonable, equitable and uniform with similar facilities in Wisconsin.

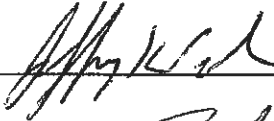

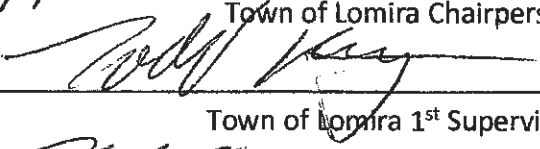

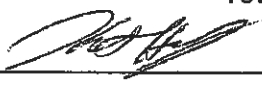

**Whereas**, the Town of Lomira Board is furthermore concerned that should Quad Graphics win its appeal, it would create an inequitable and unjust taxation of for all Town Residents, the shift in tax burden would be considerable.

**Whereas**, this facility continues to operate, is not functionally obsolete and enjoys many benefits competing facilities do not enjoy. Some of these benefits are the exceptional location offering I-41 accessibility and view, state of the art building, preferential regulation and EPA permissions along with one of the lowest tax environments available in Wisconsin.

**Therefore**, the Town of Lomira offers its full support to the WI Department of Revenue in defending the current 2020 full value property assessment of \$23,030,400 for Quad Graphics, Inc. and will support the WI Department of Revenue in its efforts.

The town clerk shall properly post or publish this resolution as required under s. 60.80, Wis. Stats.
